- We will be sanitising field events as per Little Athletic's Guidelines
- We have hand sanitiser around the grounds for your use
- We have a toilet and facility cleaning crew on roster to clean and sanitise hourly
- Frequently touched areas such as Eftpos machine, Food Sales Desk, canteen counter, BBQ table will be wiped down and sanitised every hour and more during high peak times
- We encourage volunteers and officials to bring their own equipment necessary to assist (pen, clipboard etc).
- Food and drinks available from the canteen, our outdoor express BBQ and invited vendors around the grounds
- Be creative in celebrating – no hugs or high fives, swap for the elbow or foot bump
- It's a social day, when mingling please remember to social distance.

CLASHING EVENTS

Neither track nor field events can be unduly delayed to suit individual competitors

Where a competitor is in both a track and field event at the same time, track events will take precedence when the event is about to be run. Every effort will be made by officials to ensure all children receive their allocated trials at field events, but in this regard, Centres and Officials are requested to ensure that:

1. Athletes waiting in the call room who are called for their field event should only remain in the call room if their track event will be marshalled in the next 5 races. If not, athletes should report to the field event and follow point 2.
2. Athletes, whose clashing track event starts after the field event, remain at the field event until a few minutes before the track event starts when they will be collected by the relevant Official.
3. Officials at both the track and field venues are advised of the clash so they may do their best to minimise its effect

*** Events times may be brought forward up to 30 minutes

TROPHY WORLD

We also have an engraver coming to the carnival to engrave your athletes' medals for just \$3.50ea
