# ZERO TOLERANCE POLICY

## PREAMBLE

Little Athletics Queensland (LAQ) recognises the importance of providing a safe and enjoyable environment for all those who participate in Little Athletics.

LAQ seeks to eliminate all forms of unsportsmanlike behaviour, and has developed this policy to clearly outline the processes and penalties to be applied.

It is recommended that this policy be adopted by all Affiliated Centres to ensure a common acceptable standard of behaviour, processes and penalties.

The penalties associated with this policy are presented as guidelines for Centres to follow. Penalties may change and/or categories added at the discretion of the LAQ Board.

## POLICY

A registered athlete, an official, an assistant, or any spectator will not indulge in any unsportsmanlike behaviour towards another participant, official, volunteer, or spectator involved in a recognised Little Athletics activity and will adhere to the relevant Codes of Conduct.

## OBJECTIVE

The objectives of this policy are to:

- Remove all forms of unsportsmanlike behaviour from all aspects of Little Athletics.
- Protect all participants, officials and volunteers from exposure to unsportsmanlike behaviour.
- Provide a consistent application of processes and penalties for breaches of the Codes of Conduct.

## APPLICATION

This policy applies to:

- a) Administrators of Little Athletics at State, Region and Centre level, whether they be employed or a volunteer;
- b) Athletes in activities and events held by or under the auspices of LAQ and its Centres;
- c) Coaches of athletes in activities and events held by or under the auspices of LAQ and its Centres;
- d) Officials in activities and events held by or under the auspices of LAQ and its Centres;
- e) Managers of teams participating in activities and events held by or under the auspices of LAQ and its Centres;
- f) Spectators of activities and events held by or under the auspices of LAQ and its Centres.

U12	1.05	U16-U17	1.30

# CLASHING EVENTS

No events will be unduly delayed to suit individual competitors

Where a competitor is in both a track and field event at the same time, track events will take precedence when the event is about to be run.

Every effort will be made by officials to ensure all children receive their allocated trials at field events, but in this regard, Centres and Officials are requested to ensure that:

1. Both track and field Officials must be advised of clashing events and every effort will be made to minimize the effect.
2. Athletes waiting in the track marshalling area who are called for their field event should only remain in the marshalling area if their track event will be marshalled in the next 5 races. If not, athletes should report to the field event and follow point 4.
3. Athletes in clashing events return to the field event immediately after completing the track event, once instructed by the relevant Official
4. Athletes, whose clashing track event starts after the field event, remain at the field event until a few minutes before the track event starts when they will be collected by the relevant Official.

Events times may be brought forward up to 30 minutes

# PRESENTATION

All athletes in the U6, U7 and U8 age groups competing at the Carnival will receive a participation medal.

Competitors in U9 – U17 will be considered eligible for 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> medals.
